

OFFICE HOURS

State law requires that we inform you of our business hours.

We are open Monday through Thursday 7:30am-6:00pm. Our medical staff is not on duty continuously when we are closed during the evenings, Fridays-Sundays, or on holidays. We recommend that patients requiring intensive care be transferred from our hospital to the following hospital:

Virginia Veterinary Centers
(540) 372-3470

We also recommend this hospital for emergency care after hours.

If we need to make changes in our hours, such as closing for holidays or extended summer hours, we will post those on our front door.
